

How to Add Past Sales to Your Trulia Profile

By adding past sales to your Trulia Profile, you'll rank higher in Trulia's Find an Agent directory and enhance your online reputation – making it easier for buyers and sellers to find and contact you.

Your experience will be displayed under the Sold Listings tab on your Trulia profile and on the property page for each home you've sold – like a virtual, permanent yard sign!

To add just one or two past sales, follow these steps:

1. Log in to Trulia.com and select My Listings on the upper right side of the page
2. Click the button "Add Listings" to get started
3. Select "Find Sold Listings" and enter the property address for the sold listing (Ex: 10 Villa Ave, Belmont, CA 94002)
4. Select the correct property address from the list
5. Enter details about your sale including closing date and price*
6. Tell us which agent represented the other client to get your sale verified
(Tell us your client's name to send them a recommendation request)

Adding multiple past sales:

To add several or all past sales, just send us a .csv or Excel file and we'll add them for you! The file should include the property address, sale date, sale price, who you represented (buyer or seller or both) and your name and email address. **Send it to agentpastsales@trulia.com and your past sales will be added within 3-5 days.**
